ADMISSION/ENROLLMENT

- YMCA Fun Company (Fun Co.) provides safe, quality care at more than 120 sites throughout the Middle Tennessee area.
- Any student attending the specific school location where a Fun Co. program is located can enroll at that specific location. The ages we serve at each location will be based on the ages attending that specific school. Ages vary from 3 years to 14 years depending upon license age limit.
- The YMCA reserves the right to close/combine sites based on school accessibility and enrollment.
- When you register your child in the Fun Company program, you are securing the availability of care for the entire school year; therefore, you are responsible for the weekly fees regardless of attendance.
- To register your child for Fun Co., complete a registration form or register online, sign the permission statement and submit your registration fee.
- Once your child is registered, the following items must be completed before your child attends Fun Co.:
 - Child Information Form completed and signed.
 - Pre-placement visit conducted as required by the Tennessee Department of Human Services (DHS).
 - Flu Notification Form.
 - For children attending Pre-K programs, a Tennessee Certificate of Immunization must be completed.
- A new registration form/online registration and Child Information Form must be completed for each new program (Fall and Summer).
- Immunization forms must be up to date and on file at the local school.
- You will receive a Summer Adventure Parent Guide with specific information about summer care.
- All weekly fees are to be paid—either online at ymcafunco.org or by a scheduled weekly/monthly draft—in advance of service. Fees are due by 6 p.m. on the Friday prior to attendance for the following week. A \$5 late fee will be assessed for

payments made after 6 p.m. on Friday (see "Fee Policies").

- To ensure the Fun Co. program is a good fit for your before/after care needs, we extend a two-week trial period for all new enrollees, during which you may unenroll your child at any time. Registration and weekly fees apply
- We reserve the right to request withdrawal of a child during or after the trial period if one or more of the following conditions exists: (1) the child is not participating in or benefiting from the program; (2) the staff cannot provide adequate or safe care for the child; (3) the staff cannot provide adequate or safe care to other enrolled students due to the needs of this child.
- After the two-week trial period expires, a two-week advance written notice is required before leaving the program at the parent's request. Parents are responsible for fees during these two weeks (see "Withdrawal From the Site/Program").
- Parents should update all information—including additional medical information and/or a change in address, telephone numbers or family situations—at the time of change. Please check every six months to make sure all information is correct.
- YMCA of Middle Tennessee child care programs will not discriminate by race, color, sex, national origin, creed or disabilities in operations of its programs, services or activities.
- Fun Company accepts children with special needs so long as those needs can be reasonably accommodated. Fun Company will conduct an individualized analysis in each situation, and **requires** the parent to cooperate in the process. At a minimum, the parent **must** fill out the Special Needs form, **and** meet with their respective Program Specialist well in advance of the child's anticipated enrollment date. Staff may request additional documents or take other steps, depending on the circumstances. For example, staff may wish to receive

a copy of an IEP, and/or conduct an observation of the child at school. Through this process, YMCA staff will make a determination of whether or not the child needs one-to-one care. Based on its current funding levels, Fun Company is not able to provide one-to-one staffing. This does not mean that children who require such care are excluded from the program, but only that Fun Company cannot provide additional staff to meet that need. Where providing one-on-one-care would allow the child to reasonably participate in the program, parents have the option of providing one-to-one care at their expense.

- DHS requires that parents complete a pre-placement visit prior to enrolling their child in Fun Co.
- The YMCA discourages kids from bringing toys, electronic devices and/or items from home. The YMCA is not responsible for broken, lost or stolen items.
- The Tennessee Department of Children's Services (DCS) requires licensed child care centers—including Fun Co.—to have a written policy regarding intoxicated adults or adults who display behavior which may place the child(ren) in immediate risk when picking up. Children shall not be released to anyone a reasonable person may conclude would place a child at imminent risk. A child may be released if it is reasonably believed a refusal to release that child could place staff or other children at imminent risk. Should such an incident arise, emergency personnel must and will be contacted immediately.

FEE POLICIES

- A non-refundable registration fee is required at the time of enrollment.
- To determine our fees each school year, we review the school calendars for each of the six counties we serve to determine the anticipated total number of days we will provide care. We consider school year start dates, Fall Break, Winter Break, Spring Break and other abbreviated weeks. We then set a fee schedule for the year based

on the costs associated with operating our program—staffing, Affordable Care Act, supplies, etc. Fees may be adjusted with changes to the school calendar of which we have advance notice.

- There are six types of services requiring fees in Fun Company:
Regular Weekly Care (Before Care, After Care, and Before & After Care), **Extended Day** (early dismissal), **All-Day Outs** (Teacher In-Service, Teacher Planning, etc), **Spring/Fall Break/Winter Break, Snow Days/Inclement Weather** and **Drop-In Care**.
- **Regular Weekly Care**—Once you enroll your child in Fun Co., you are reserving a space for that child for the entire school year. Payment for the services you register for will be expected regardless of attendance.
- At the beginning of the school year, a Calendar of Fees specific to the county where your child attends Fun Co. will be available online at ymcafunco.org. This will list the fees for the school year, which are aligned to the school system calendar. Please keep this document for your reference throughout the school year.
- **Regular Weekly Fees**—Fees are due at 6 p.m. on Friday prior to attending Fun Co. the following week. A \$5 late fee is assessed each week for fees not received by 6 p.m. Friday for the upcoming week.
- Unless noted on the Calendar of Fees, the fees for each full week of care are expected by 6 p.m. each Friday before attending the next week of Fun Co.
- A full week of care is considered a minimum of three days of normal Fun Co. before/after care in a calendar week.
- Regular Fun Co. fees must be paid during the weeks where there are snow days, holidays and child absences. These fees will not be pro-rated or credited.
- Parents may receive credit for up to two weeks of missed attendance with either advance notice or a doctor's note (see "Sickness/Vacation Credit"). A "week" of credit is 5 consecutive days (no partial week credit/pro-rate).

- **Legal Holidays**—There is no reduction in your weekly fee for legal holidays. Fees are computed on a full-week basis.
- **Sibling Discount**—Parents with more than one child enrolled in the program will receive a discount on a second child and all subsequent children who enroll during the same school year program.
- **Fees for winter/spring break and all other "school's out" days will not be drafted.** You must register in advance and pay online at ymcafunco.org. You must register in advance for **Spring/Fall/Winter Break Care**. Because these days are scheduled in the school calendar and we can plan for them, you only pay for the days you register for. These full-week breaks are the only weeks when you are not required to pay regular weekly fees. You will be required to pay for the days for which you register, whether your child attends them or not. If any "breaks" are shorter than the scheduled full week, regular weekly fees are required for that week, and additional fees are required if you register for care on the abbreviated "break" days.
- To attend **All-Day Outs** and **Early Dismissal Care**, you must register in advance for these days and pay the additional fee online. Your regular weekly fees are due whether your child attends these days or not.
- There is an additional fee for **Snow Days/Inclement Weather Days**. Although we can't anticipate snow/inclement weather to require advance registration, Snow Day Care will be provided at selected schools. If you attend, you are required to pay an additional fee online within the week of care provided. Your regular weekly fees are due whether your child attends snow/inclement weather days or not—even in the rare occasion that school is out the entire week.
- **Drop-In Care** (up to two days) rates are available at selected sites offering before and after care. Space for drop-in care is limited and not offered at all sites. Sites with two-day care are offered on a first-come, first-served basis. You must choose in advance the two days the child will attend; once selected, a child's

schedule cannot change without two weeks' written notice. Students enrolled in drop-in or two-day care may register and attend Extended Day, All-Day Outs and Spring/Fall/Winter breaks. They are may also attend on snow/inclement weather days. Additional fees apply.

- Contact your local Fun Co. administrative office for a complete list of sites offering drop-in care.
- **"Responsible" and Billing Parties**—As the enrolling parent, you are responsible for all fees related to your child's participation. Upon request, the YMCA is able to send account statements to a "billing" party other than parent/guardian; regardless, you remain responsible for payment of all fees.
- **DHS Certificates**—Fun Co. accepts DHS certificates. Parents are responsible for: (1) full fees until we receive their DHS certificate; (2) securing their certificate and keeping it up to date; (3) paying the difference between the value of the certificate and the program fees; (4) ensuring their child is not absent more than 5 days per calendar month. If a child is absent for more than 5 days, the parent is responsible for the full monthly payment. Failure to adhere to this policy will result in dismissal.
- **Financial Assistance** is available through private donations to those who qualify for a reduced rate. Contact your site director for an application. We require a completed application and verification of income as stated on the Financial Assistance Form. We cannot process your application without this verification. You are responsible for full fees until any assistance is granted; we are unable to make any fees retroactive. Turn in your completed application and documentation to the Fun Co. administrative office, or submit paperwork directly to your Site Director at your Fun Co. site. Please submit copies as we will be unable to return original documents.
- **Leaving the Program**—Participants leaving the program are required to notify the YMCA in writing two weeks prior to leaving and are responsible for payment during these two weeks. To stop your electronic draft of fees, a two-week written notice is required, and you

must complete the Change Form (see "Withdrawal From Site/Program").

Accepted Payment Methods

- All payments must be made online at ymcafunco.org, by automated bank draft or by automated credit card payment. If you have any questions about payments, contact the **Revenue Operations Center (the ROC) at 615-742-7327**.
- We do not accept cash, checks or money orders at the site for payment.
- We can accept credit card and check payments online at ymcafunco.org; however, you can only add/edit credit card information online. You must contact our Revenue Operations Center at 615-742-7328 to add/edit bank account information.
- You must register online and pay fees for school breaks and All-Day Outs. We do not invoice for these days.

Electronic Bank Draft

- There are two options for paying with an electronic bank draft—online at ymcafunco.org or by automated weekly/monthly draft. **You must provide us your bank account information before attempting to pay online or scheduling a draft.**
- To add/edit your bank account information, turn in a Change Form with a voided check to your school's site director or call the ROC at 615-742-7327.
- If you would like to schedule an automated weekly/monthly draft, return the Change Form with your voided check to your site director or call the ROC at 615-742-7327. The draft amount will be the full weekly fee.
- If you are using the online option, you can make one-time payments in advance of care or schedule regular payments. You can pay for more than one week at a time online; however, all weekly fees must be paid by 6 p.m. each Friday.
- We charge \$25 for returned drafts (see "Returned Payments").

- Although you cannot register for snow/inclement weather days in advance, we do not invoice for these days. Payment will be automatically drafted with the billing information on your account.

Credit Card Payment

- There are two choices for the credit card payment method. You can set up an automated weekly/monthly credit card draft on each Friday prior to the week of care. The second option is to go to ymcafunco.org weekly and schedule your weekly payments by each Friday at 6 p.m. to avoid a \$5 late fee.
- You can add/edit credit cards by going online or by calling the ROC at 615-742-7327.
- You can set up a weekly/monthly credit card draft by submitting a Change Form or calling the ROC at 615-742-7327. If you are submitting a Change Form, we need to have the credit card you wish to draft on file before scheduling/changing a draft.
- If you are using the online option, you can make one-time payments in advance of care or schedule regular payments. You can pay for more than one week at a time online; however, all weekly fees must be paid by 6 p.m. each Friday.
- We charge \$25 for returned drafts (see "Returned Payments").

Late Fees/Past Due Balances

- A \$5 late fee will be assessed each week for fees not received by Friday before 6 p.m. for the upcoming week.
- After the third time a participant is dropped from the roster (for non-payment) in a school year, the child will have to be re-registered to get back into the program (full registration fees will apply).
- Parents who do not honor payment arrangements three times in a school year will have to re-register to get back into the program (full registration fees will apply).
- Lack of payment of all weekly fees, including late fees, is grounds for immediate withdrawal from Fun Co.

- Any family with past due fees of one week must pay in full, including late fees, before the child can return on Monday of the second week.
- Children attending Fun Co. on Monday with a balance due for the week are subject to be denied access into the program. Payment must be made before pick-up on Monday, or payment arrangements must be made with the ROC to be paid within the week by pick up on Monday.
- Late Pick-up fee is \$1 per minute per child and must be paid online within one week of the incident. No exceptions.
- Chronic late pick up is ground for dismissal from the program.

Returned Payments

- Be proactive with your payments, and ensure drafts will go through to avoid additional fees and denial of access to the program. After three bad drafts, your child will be un-enrolled for the remaining of year. To regain access, you must re-register (registration fees apply) and make payment arrangements with the ROC. If there is a waiting list, your spot will be forfeited, and your child will be placed on the waiting list.
- After two bad bank drafts, all future payments must be set up on a credit card.
- Returned EFT drafts for non-sufficient funds and returned credit card drafts for exceeding a credit card limit will be collected by an agency licensed by the Collection Service Board, including any fees they charge for collection.
- To avoid the collections service and take care of a returned draft, call the ROC at 615-742-7327. Failure to clear a returned draft will prevent you from registering for any YMCA programs.
- Returned credit card drafts for an invalid card number or an expired expiration date will be collected by the ROC.
- Payment arrangements can be made with the ROC prior to a bad draft, should the occasional need arise. Please contact the ROC at 615-742-7327 for payment options in these rare cases.

- Outstanding balances resulting from uncollected returned drafts must be cleared up before the child can enroll or attend any YMCA program.

Sickness/Vacation Credit

- Credit will be given up to two weeks (5 consecutive days only) for illness or vacation. To receive this credit, you must submit your request in writing two weeks prior to the desired vacation time. If you attend one day of care or do not submit request within the time frame permitted, regular weekly fees apply.
- Full credit will be given for days absent due to a death in the immediate family—father, mother, brother, sister or grandparent. A maximum absence of three days will be allowed.

WHEN FUN CO. WILL CLOSE

- Fun Company programs close during the following days/ holidays: Labor Day, Thanksgiving Day, the day after Thanksgiving, Christmas Eve, Christmas Day, New Year's Eve, New Year's Day, Good Friday, Memorial Day and July 4th.
- Fun Co. closes in preparation of our transition from Fun Co. to Summer Adventure program and again from Summer Adventure to Fun Co. This may vary per county. Please check with your county/school for further information.

PARENT INVOLVEMENT/ COMMUNICATION

- **Parent Communication**—We communicate by email. To receive email communication from the YMCA, please include a legible email address on the Child Information Form. Please ensure you update your email, should it change during the year.
- **Parent Information Area**—At each site, there is a designated area for dissemination of program information.
- **Parent Advisory Committee**—This volunteer committee is responsible for helping with Fun Co. program development, program evaluation and program promotion. This committee also assists with all special events and

fundraising activities.

- **Parent Helper**—Parents volunteer to assist caregivers with site duties, such as serving as a guest speaker and providing a special snack or party for the program. Parents are welcome and encouraged to visit their child's program at any time.
- **Parent/Child Input**—Twice a year, children and parents are asked to complete an evaluation of our program. With this feedback, we can incorporate program ideas and services to better meet our site families' needs.
- **Parent Conferences**—The exchange of information about a child from the parent's perspective and the staff's perspective can be very helpful to parents, school officials and program staff. Parent conferences can be informal or formal. We cannot emphasize enough that it is important that you share changes at home or at school that affect your child(ren)'s life. Staff can better provide for a child's needs at these times if we are aware of the changes.
- **Family Fun Events**—Family Fun Events are scheduled a minimum of two times per year to offer families and staff an opportunity to play and learn together.
- **Evaluation**—To better serve your child and their needs, we request the release of your child's academic information, including grades, student conduct, attendance records and standardized test scores for program evaluation purposes only.
- **YMCA Membership:** As a current Fun Co. participant, your household is eligible for a discounted YMCA membership rate, as well as a waived joining fee! If you would like to take advantage of this benefit, please stop by the closest facility and fill out the membership application. After YMCA staff verify current program enrollment, you will choose either a Two Plus membership (two adults and dependents in same household) or One Plus (one adult and dependents in same household). Your monthly dues will then be set to draft on either the 1st or 15th of each month and will continue until you submit a

cancellation form to your home YMCA center no later than 2 days before your set draft. Please note that you will receive notification once your Fun Co. participation status is no longer active that your rate is set to increase. The YMCA of Middle Tennessee is committed to keeping its doors open to everyone. With the help of annual gifts, we offer an Open Doors Program to make membership and program fees available to all. If you feel your household would qualify, please speak with the membership staff at your closest facility.

DISCIPLINE

Our goal is to guide children in becoming happy, responsible and cooperative participants through positive teaching techniques. In the event that behavior requires discipline:

- Staff action will not damage the child's self-image or embarrass the child.
- Staff action will help kids learn self-control, choose alternatives, identify feelings and develop understanding and respect of feelings for others.
- Staff will communicate regularly with families regarding behavior concerns.
- Every effort will be made by staff to enlist the cooperation of the child and parents to solve problems.
- To teach responsibility in the event that a child deliberately damages any property or equipment that the YMCA is using, the child/parent will be responsible for the cost of replacement.
- **Staff are responsible for proper discipline of children. We cannot allow parents to "discipline" or question children who are not their own. This applies regardless of whether activities are off-site or on-site.**

Suspension from our program from one to five days can occur if the following inappropriate behavior is used:

- Harming a staff person or another child
- Stealing
- Damaging property
- Using foul language
- Being totally disruptive and uncontrollable in the group

- Inappropriate child to child contact
- Bullying

Behavior Management—The safety of a child is the highest priority for setting behavior management procedures. When a child has a severe discipline problem (on any ONE occasion), the parent may be called by staff and asked to pick up the child within one hour of the call.

Dismissal from our program could occur when:

- Inappropriate behavior(s) cannot be solved after repeated attempts or on any one occasion, should the YMCA determine that a child's or a parent's behavior inhibits the Y from providing a safe environment for other children, and their parents, staff or school officials.
- Behavior of a child becomes detrimental to him/herself and others – including the program participants and staff.
- The YMCA uses "Observation Forms" to communicate with parents when it observes concerns regarding behavior changes or patterns being established. If a child receives three "Observation Reports" within a two- week period, he/she may be dismissed from the Fun Company program.
- If a child is dismissed from the program, he/she is not eligible for re-enrollment.
- YMCA Fun Company adheres to the zero-tolerance policy adopted by your local school system.
- Due to confidentiality, if there is an incident involving multiple participants, we will conduct an investigation according to YMCA policy. We will not discuss the specifics of the other students involved. Parents are not allowed to question or talk to the other program participants or staff regarding involvement in an incident.

INVESTIGATING AN ISSUE OR CONCERN

You may occasionally have an issue or concern you wish to bring to our attention. We welcome your thoughts and comments. In the event you have reported an issue at the site, please be assured that we will complete a thorough

investigation, which includes speaking to any pertinent staff and sometimes the children. We reserve the right to suspend a child's care indefinitely while an issue is being investigated. Listed below are the procedures we follow when dealing with parental concerns:

- We speak with the parent/guardian to get all the information regarding the concern. We are unable to speak with anyone other than the parent/guardian (this includes grandparents, aunts and uncles, etc.).
- If necessary, we will bring our Human Resources Regional Director in to work with us.
- Once we have gathered all the pertinent information, we will follow the YMCA of Middle Tennessee's Policies and Procedures. Depending on the circumstances, disciplinary action may be required. Due to confidentiality, we are unable to discuss any details, even if it involves another Fun Co. participant or a staff member.
- There is no time limit with an investigation. We will take as much time as necessary to thoroughly investigate all issues.
- Retaliation against anyone who reports an issue or concern is not tolerated. Whenever possible, we will do anything possible to protect anonymity.

WITHDRAWAL FROM THE SITE/PROGRAM

At Parent's Request

- Two weeks' advance notice of withdrawal is required in writing to the Site Director. Parents are responsible for fees during the two week period.
- Two weeks' advance notice is required for a schedule change that affects the number of hours your child will attend.
- Your signature on the information form verifies your agreement and understanding of this policy.
- Any account with a past due balance must be paid before the child(ren) can be re-enrolled into the YMCA program.

At Site's Request

- A notification period prior to withdrawal is not required if the withdrawal is requested by the site.
- The YMCA of Middle Tennessee has the legal option to withdraw a child for any of the following reasons:
 - Non-payment of fees
 - Repeated failure of parents to pick up child on time
 - Failure to provide site with current emergency/medical information as stipulated by State licensing
 - Continuous disciplinary problems
 - Inappropriate conduct of parent or guardian
 - Repeated failure to sign the child in or out each day
- If a child is dismissed from the program, he/she is not eligible for re-enrollment in any Fun Company/ Summer Adventure program.

PROGRAM PROCEDURES

The following procedures have been developed to ensure effective operation at each of our sites, with your child's safety as our main concern.

Before Care Program

- Sign your child in each day on the sheet provided. This is a DHS requirement.
- Escort your child to the designated Fun Company area in the school/ YMCA.
- Inform your child's staff of any special needs for the day.
- Children will walk from the Fun Co. area to their classroom or cafeteria (depending on school policies).
- Pre-K (at schools with Pre-K) and kindergarten children participating in Fun Co. will be taken to, and picked up from, their classrooms daily. All other children are responsible for walking to and from the program areas.

After Care Program

- Children will walk to the Fun Co. area from their classrooms daily.
- Attendance will be taken daily.

- Please sign your child out each day and print your name legibly. This is a DHS requirement. Failure to comply will result in dismissal.
- When you sign your child out each day, please check for any update information or notices at the parent information area.
- Only authorized persons may sign a child out of the Fun Co. program. All authorized persons must be at least **18 years of age**. Please provide the site director with a list of authorized persons, including their full names and phone numbers. This list will be kept on file at the site.
- The YMCA reserves the right to suspend, and/or dismiss any child during and investigation process.
- Anyone unfamiliar to the staff will be asked for identification. This includes the parents! For your own protection, there are no exceptions to this policy. Anyone without a photo ID will not be permitted to leave with the child.
- If there are special circumstances involving custody issues, you must provide the site director legal documentation of those arrangements. These documents will be kept in your child's file at the site.
- We cannot accept verbal consent for someone to pick up your child. All authorization must be in writing and signed by the child's legal guardian.

Late Pick-Up

- If you are running late, please call us in advance so we can plan appropriate staffing and reassure your child.
- Staff are scheduled to work until 6 p.m. We charge \$1 per minute per child for every minute after 6 p.m. that your child is not picked up. Payment of those charges is expected to be paid online within one week of the incident.
- If you haven't made contact with the site by 6:15 p.m., we will start calling your authorized pick-up list for someone to come and pick up your child.
- Because we are licensed by DHS, if your child is not picked up by 7 p.m., local authorities will be called.

Absences

It is imperative that we are notified if your child(ren) will not be attending the program on a normally scheduled date. Please notify us as soon as possible. When calling, please state your first and last name and your child's first and last name. Please notify the site of any communicable illness your child may have.

Vacation

- Once you register your child in Fun Co., you are obligated to pay the weekly fee regardless of whether your child attends the week or not.
- Credit will be given up to two full weeks for illness or vacation. To receive this 5-day credit, you must submit your request in writing two weeks prior to the desired vacation time.
- **Please remember**—Advance registration is required for service during Fall Break, Spring Break and Winter Break. If you register your child for care during Winter Break or Spring Break, payment is required in advance. No credit will be given for days your child was registered and did not attend. However, if you do not register, payment is not expected. If any of the "breaks" is shorter than the scheduled full week, regular weekly fees are required for this week and additional fees are required if you register for care for the abbreviated "break" days.

TV/Video Policy

- Occasionally, our program will show a movie during program hours. Movies will be developmentally appropriate for the viewers with a "G" rating. Parent permission to view the movie will be requested in advance. For those who do not wish to watch the movie, other activity choices will be available during this time.

Cell Phone Policy

- A participant may possess a cellular telephone at the YMCA program location provided that during program hours and on the school bus (should transportation needs arise) the cell phone remains off,

not on vibrate, and is concealed in a backpack.

HEALTHY EATING & PHYSICAL ACTIVITY

Fun Company at the YMCA of Middle Tennessee has signed on to be part of the commitment Y-USA made to become the *healthiest childcare* provider in the country! By implementing Healthy Eating and Physical Activity (HEPA) Standards, we want to ensure children have access to healthy food and physical activity in our programs. We want to make the healthy choice the easy choice for your child while he or she is in our care. As such, our programs are committed to offering:

1. Healthy food options for snacks and/or meals that include fruits, vegetables, whole grains, non-fatty, and lower sugar foods;
2. Water as the beverage of choice as opposed to sugary beverages and
3. At least 30 minutes of physical activity in our daily program.

To foster a health-promoting environment where “the healthy choice is the easy choice”, we discourage kids from bringing junk food, sodas and sugar sweetened beverages to the program.

ALL-DAY OUT PROGRAMS

Fun Company provides full-day services during the days that public schools are not in session due to staff in-service, parent conference days and holiday break schedules. Private schools’ schedules vary slightly. Check with your Site Director for information on services associated with your schedule. School sites combine during all day programs based on need and school availability. We work with the principals to determine which schools are available during All-Day Outs.

- See your parent pack and your Site Director for your site specifics.
- **You must register in advance** for scheduled closures, in-service days and full-week break programs. If you register for this service, you will be required to pay the additional fee for this service. No credit will be given if you register your child and they do

not attend.

- Children need to arrive at the All-Day Out site no later than 9 a.m. Programming for the day begins at 9 a.m., and it is vital to their enjoyment of the program to be present for the complete day. We also adjust staffing based on attendance, and late arrivals may not be accepted because of staffing and ratio adjustments.
- Students need a healthy sack lunch and drink (no soda) each day that do not require refrigeration or heating.
- We provide a nutritious snack in the morning and the afternoon each day.
- During the school break days, each family must provide sunscreen for their child. All bottles must be labeled with the child’s name. Staff will supervise the application of sunscreen.
- There is an additional fee for service for a standalone All-Day Out. Please check the Calendar of Fees for your county for the amount.
- The YMCA complies fully with transportation rules and regulations as governed by the State of Tennessee.

SNACKS/LUNCHES

- Parents must provide healthy sack lunches and drinks (no soda) that do not require heating or refrigeration, if your child is participating in the All-Day Out program.
- We will provide a nutritious snack daily during our Fun Co. after-school program.
- A nutritious snack will be provided in the morning and afternoon during All-Day Outs.

SNOW/INCLEMENT WEATHER/EMERGENCY PROCEDURE

We know snow days can be stressful for families, especially when child care is a challenge. That’s why we strive to ensure a portion of our Fun Company sites are operational even when school’s out. While we do not operate

every Fun Co. location on snow days, we provide care at a limited number of sites for Fun Co. students, including children who do not normally attend Fun Co. at those sites. To do so, we select our snow day sites based on each school's:

- School Accessibility
- Program Enrollment

Weekly fees are due regardless of school snow closings, even in the rare occasion that school is out for the entire week, because these are not scheduled and factored into our annual fee assessment.

Please do not hesitate to call your regular site or the snow site before heading out on a questionable day. When schools alter their school day schedule due to snow by either closing early or closing for the day, the Fun Co. operating hours will change. We will open one hour later and close one hour earlier. In extreme and/or quickly developing weather situations, an individual location may close early, and parents will receive a two-hour advance notice. All attempts will be made to have announcements aired on local news stations. You can also go to our website at ymcafunco.org.

Emergency Management Plan

A site-specific emergency management plan has been completed and is kept on file at the site. If you wish to view this document, please see your site director.

INSURANCE

The YMCA of Middle Tennessee provides a Secondary Medical Insurance policy, which is available after the participant's insurance has made payment.

- This requirement does not imply or admit guilt or liability of the YMCA.
- The YMCA is not involved in decisions made by the insurance company on paying or denying claims.
- In the event a claim is denied by the insurance company, the parent is responsible for payment of medical coverage.

- In the event a claim is partially covered, the parent is responsible for any remaining balance.
- It is the parent's responsibility to submit the claim form and related documentation to the insurance company. Please make sure you carry the completed insurance claim form when seeking medical attention. The fee for this policy is built into the registration fees. Sometimes the rates increase without notice, and this cost may be passed onto the parent.

INJURY

If your child is injured at the site, the site director will take whatever steps are necessary to obtain emergency medical care. These include, but are not limited to, the following:

- Attempts to contact parent or guardian.
- Attempts to contact parent or guardian through emergency contact listed on enrollment form.
- If we cannot contact you, we will do one or more of the following:
 - Call an ambulance or paramedic.
 - Should your child need to go to the hospital, they will leave with EMS. YMCA staff are not permitted to transport children.
- In a non-life threatening situation, we will not call an ambulance unless the parent requests it.
- **Please note**—In the event of a serious emergency, 911 will be called first.

ILLNESS

- Parents should notify the site when their child(ren) will be absent due to illness.
- The YMCA cannot provide care for sick children. Please do not bring a child who is ill to the site.
- Students who are not in attendance for the school day cannot attend Fun Company in the afternoon.
- Each day upon arrival, each child will be observed for symptoms of illness. If a child has any sign of illness or fever of 100 degrees or higher, the child will be sent home with the

parent, or the parent will be called to pick up the child.

- If a child has no overt symptoms of illness but displays significant behavior changes and is clearly uncomfortable and unable to participate in activities, a parent will be called to pick up the child.
- The child is not allowed back to the program until 24 hours has passed and the child is no longer symptomatic.
- If your child becomes ill at the site, a parent will be contacted and asked to take him or her home. The child will be isolated within sight and hearing distance of an adult until parent arrives. If parent cannot be reached, the staff will contact the emergency contact person listed on the child's enrollment form. Because we cannot provide care to sick children, a parent or an emergency contact must pick up their child within one hour after being called. Failure to adhere to this policy can lead to suspension or dismissal.
- Parents must complete the permission to administer medicine form and turn in to the site director.
- Medication that needs to be administered should:
 - Be brought directly to staff in its original container as prescribed.
 - Contain written instructions as to quantity, time for it to be administered, name and phone number of doctor, and any other directions for use. Written clearance must also be given to the YMCA to administer the medications. Forms are available at the site.
 - When picking a child up, medication will be returned and the parent must sign verifying that the medication was returned.
- To ensure proper staff/child ratio, children may not stay inside during outdoor play time. If your child needs to stay inside for a few days for health reasons, please keep him or her home a little longer.

- We are required by law to follow certain guidelines regarding the administration of first aid and the contact of blood during this procedure.
- Staff are required to wear gloves when administering first aid.
- If you or your child has an injury at the YMCA or in a YMCA program and blood is present and an employee has assisted, the YMCA is required to ask if you or your child will consider being tested for bloodborne pathogens, diseases or viruses. You may decline this request. If you agree to be tested, it will be done so at the YMCA's expense. Staff will be required to ask you this at the time of the accident and record your response.
- Staff must follow OSHA guidelines in the clean-up and disposal of blood contacted areas and materials.
- Staff must complete an accident/incident report.

- YMCA Fun Company Before and After School Programs are licensed through the Department of Human Services (DHS). When an incident occurs and/or is brought to our attention, the YMCA is legally bound to notify the Tennessee Department of Children's Services (DCS).
